

LEGACIES

The 4,049 undergraduate students who entered the University in fall 2017 and spring 2018 included 617 who are known to be the children, grandchildren, or multi-generational descendants of alumni. The information for the following lists was compiled from data provided by the descendants of alumni during the admissions process. Additions and corrections to the lists are welcome. Please send revisions to: Cornell Alumni Magazine, 401 East State St., Suite 301, Ithaca, NY 14850; fax, (607) 272-8532; or e-mail, adr4@cornell.edu.

According to the information supplied, one student who entered the University in 2017 is a fifth-generation Cornellian: Abigail Klein is the daughter of Kenneth '87 and Kara Vanneman Klein '89; granddaughter of William Vanneman Jr. '65; great-granddaughter of William Vanneman Sr. '31; and great-great-granddaughter of Charles Reeve Vanneman 1903.

In the legacy listings that follow, deceased alumni are designated by an asterisk (*).

One Cornellian Parent

318 new students note one Cornellian parent. Grandchildren of Cornellians, as well as third- and fourth-generation Cornellians, are listed elsewhere.
