

JOHN CLEESE

Professor at Large

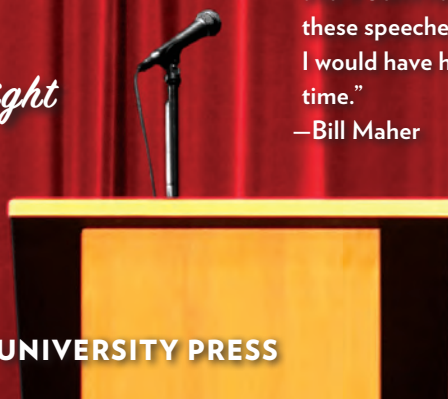

In a new book, Cornell professor and comedian John Cleese gives readers his philosophy on the bright side of life.

"I went to Cornell in the '70s, and if John had been making these speeches there back then, I would have had a much better time."

—Bill Maher

Live forever.

You are triumphs and tragedies.
(And near misses and lucky breaks.)
You are youthful hubris and midlife wisdom.
You are superhuman achievement. You are aching regret.
You are your story. Let the world hear it.
