

**FIFTY YEARS AGO A YOUNG MAN LED
AN ARMED REVOLT ON CAMPUS.**

THIS IS HIS STORY.

“This is the long-awaited and deeply revealing autobiography of Tom Jones. He tells his quintessentially American story with passion and conviction and with a mixture of pride and regret. For a country still grappling with racial issues fifty years later, this is a seminal account of a life of dramatic action and religiously inspired thought.”

—Hunter Rawlings III

“A marvelous book—a compelling must-read story for all.”
—Clifton R. Wharton, Jr., Chairman and CEO, TIAA-CREF, 1987–1993

“A great read by a wonderful man.”
—Joseph Deane, Former Executive Vice President, PIMCO

“Tom Jones presents a unique insider’s perspective on the causes of Citigroup’s collapse. This story is a must-read.”
—Hersh Cohen, Co-CIO, ClearBridge Investments

No dream is too far-fetched

Unleash your full potential and surpass your wildest expectations with Dr. Brian Lima's Heart Way approach to life.

As a leading heart transplant surgeon, Dr. Brian Lima '98 is living proof that slow and steady still wins the race. He persevered through countless challenges growing up in a Cuban immigrant family and defied the odds every step of the way.

In *Heart to Beat*, Dr. Lima shares the lessons learned throughout his improbable rise to the pinnacle of success in the medical field. He breaks down the keys to advancing well beyond your comfort zone and perceived limitations, regardless of your field of interest.

"In a world of instant gratification and non-stop entertainment, having grit and determination will set you apart from the crowd. Let Lima inspire you to do your best and achieve your goals."

—Daniel H. Pink, *New York Times*
best selling author of *When and Drive*

"Lima deftly blends a useful guide with an absorbing autobiography; he doesn't concentrate excessively on either one.... Helpful advice from a keen, assertive, and relatable physician."

—Kirkus Reviews

"Brian Lima's story is a truly inspiring one. It is one of true heart—yes, of that remarkable indispensable part of our bodies—but even more so of the qualities of a man who grew to master surgery on it."

—Dr. Roald Hoffmann, Author, Playwright,
and Nobel Laureate in Chemistry, Cornell University.

**Neighborhoods
can revive older cities**

Americans have judged suburbs' small neighborhoods better places for families than cities.

So cities wanting to grow should learn from their suburbs and market not city living but small-is-beautiful neighborhood living.

Cities of Villages uniquely shows how with advertising and neighborhood improvements.
